

UNIVERSITY OF JYVÄSKYLÄ

TUTU5 Sustainability and futures images

The course will consist of lectures, two discussion tasks and one group work. Course themes are forests, food, mobility, and consumption. Course language is English.

Lectures

- Tue 31st Oct 12-15 o'clock online Zoom
 - How to complete the course
 - Introduction to futures studies
 - Introduction to sustainability
- Mon 13th Nov 12-14 in Agora JYU
 - Panu Halme – Forests, sustainability and future(s)
- Tue 21st Nov 9-16 in Agora JYU
 - Teea Kortetmäki – Sustainable food futures
 - Stefan Baumeister – Mobility, sustainability and future(s)
 - Roni Lappalainen – Consumption, sustainability and future(s)

Discussion tasks

- During week 45 – What is sustainability?
- During week 46 – What are futures images?

Group work

- Essay on futures images of the course themes (forests, food, mobility, and consumption). How does the sustainable future of the themes look like? How these themes are connected?
- Deadline 8th December

Register by email to Marileena Mäkelä. Registration deadline 27th October. About 10 TVA students are welcome.
